PunjabiSongs.tv is the first video uploading and sharing website totally dedicated to punjabi songs. The site format is similar to YouTube and allows users to upload and share punjabi songs. PunjabiSongs.tv is free and caters to punjabi audience all around the globe. PunjabiSongs.tv allows people to easily upload and share video clips on

www.PunjabiSongs.tv and across the Internet through websites, blogs, and e-mail. Videos can be either uploaded directly to the site or can also be linked in case they are hosted on some third party sites like YouTube, DailyMotion etc. The maximum size of uploaded video per file is 100MB.

PunjabiSongs.tv provides users a clean and safe place to upload and share videos. All content is constantly moderated by a human eye to ensure all content is appropriate. No image, video, or text above a PG rating will be permitted on this website.

PunjabiSongs.tv allows users to browse videos by searching tags, channels (sad songs, love songs, folk music etc) or user-created groups. Rare among popular video sharing websites, PunjabiSongs.tv hosts explicit content, much of which is user-generated.

Unlike YouTube, PunjabiSongs.tv has a revenue sharing model which will allow the users to earn from their uploaded videos. So sing a song, make a video and upload it on www.punjabisongs.tv now !!!

PunjabiSongs.tv is the best and first website for punjabi fans all around the globe.
